James Clad

(former US Deputy Assistant Secretary of Defense)

Chair:

Professor, the Lord Alderdice

(Director of CRIC, Oxford)

Tuesday 27th September at 6pm

**Charles Wellbeloved Room, Harris Manchester College,

James Clad, formerly a Professor at the National Defense University in Washington DC, is one of the senior George W Bush administration officials who has not only refused to back Donald Trump, but has publicly declared that he will vote for Hillary Clinton. His lecture (which is part of the 2016 CRIC Annual Conference) will bring a particularly fascinating insight into this final stage of the US Presidential Election campaign
